2018 Chamber of Commerce Membership

The Chamber of Commerce of the Willistons is dedicated to the cooperative efforts of the business & residential community in preserving the quality and character of business in our neighborhoods.

We are constantly searching for ways to promote your business. Our Street Fair is one of the largest and well attended in Nassau County. If you are not participating, you are missing a great opportunity to showcase your business in the community. Our evening networking events are extremely popular and an effective way to interact with other local businesses. We do a number of ads in local papers as well as the internet to help promote your business throughout the year as part of your membership.

We are proud of each of our accomplishments and excited about the future. Please remember your participation in the Chamber provides an important link to our business community. Our meetings are on the last Tuesday of each month from 8AM to 9AM at IHOP on the corner of Willis and Hillside Avenues in Williston Park. We also have a few evening meetings to accommodate those who can not attend the breakfast meetings. We encourage you to attend and look forward to your input.
